

From our Formulary **Hair Polishing Serum**

This is a simple hair serum which gets its intense sheen from the small amount of phenyl trimethicone added to the formula. It offers detangling, anti-frizz properties and light conditioning. Note: High shear mixing (ie., a stick blender) is not needed with this formulation. Stirring with a spoon, spatula or wire whisk is recommended.

Formula

	Percent	Grams	Ounces	Ingredient
