STATEMENT ON ANIMAL TESTING

Lotioncrafter LLC does not advocate the testing of ingredients on animals.

We confirm that we have never undertaken any product testing on animals, nor have we ever requested that our ingredient manufacturers do so. Therefore, we can confirm that over the last ten years we have not done so. We do not source ingredients from manufacturers who test on animals and we undertake to determine this when considering new raw materials suppliers.

None of the ingredients we carry is currently tested on animals, nor has been after March 11, 2009 for the purposes of the European Cosmetics Regulation (EC) No 1223/2009.

This document and any information provided herein is for your guidance only. All information is given in good faith and is based on sources believed to be reliable and accurate at the date of publication of this document. This document shall be valid until superseded by a later version.
