

MATERIAL SAFETY DATA SHEET

CHEMTREC EMERGENCY HOTLINE: 800-424-9300

SECTION I: NAME & HAZARD SUMMARY

Product Name: **Cetearyl Alcohol 30/70 NF INCI: Cetearyl Alcohol**

Hazard Summary (as defined by OSHA Hazard Communications Standard, 29 CFR 1910.1200):

This product does not contain any hazardous ingredients.

SECTION II: INGREDIENTS

CAS No.: 8005-44-5, 67762-74 HS #: 2905.17.00003 EINECS No. 267-008-6

SECTION III: PHYSICAL DATA

Appearance: White waxy flakes
Melting Point: 48-55°C
Specific Gravity: 0.810

SECTION IV: FIRE & EXPLOSION HAZARD DATA

Flash point: > 200 F

Extinguishing media: Dry chemical, carbon dioxide, foam, or water, or fog.

Firefighting procedures: Water or foam may cause frothing which can be violent and possibly endanger the life of the firefighter, especially if sprayed into containers of hot burning liquid.

Special fire fighting equipment: firefighters should wear NIOSH approved self-contained breathing apparatus in the positive-pressure mode with a full face mask.

SECTION V: REACTIVITY DATA

Stability: Stable under normal conditions.

Incompatibility (materials to avoid): Strong oxidizing agents, strong mineral acids.

Hazardous polymerization: Cannot occur.

MATERIAL SAFETY DATA SHEET

General: Not a health hazard.

Ingestion: Ingestion may cause discomfort.

Eye contact: Not an eye irritant.

Skin contact: Not a skin irritant.

Skin absorption: None detected.

Inhalation: None detected.

First aid procedures:

Skin: Wash material off the skin with copious amounts of soap and water. Remove contaminated clothing. Wash contaminated clothing before reuse. Seek medical assistance if irritation develops.

Eyes: Immediately flush eyes with plenty of cool water for at least 15 minutes. Do not let victim rub eyes. Seek medical attention if redness, itching or burning sensation develops.

Ingestion: If victim is conscious and able to swallow, have victim immediately drink two glasses of water and induce vomiting by either giving Ipecac syrup or by placing finger at back of throat. Get medical attentions immediately. Never give anything by mouth to an unconscious person.

SECTION VII:

SPILL OR LEAK PROCEDURES

Steps to be taken in case material is released or spilled: Contain spilled material. Transfer to secure containers.

Disposal Method: Bury, incinerate or run to sewer in accordance with federal, state and local regulations.

Container Disposal: Puncture or otherwise destroy empty container before disposal. Dispose of in accordance with federal, state and local regulations.

SECTION VIII

SPECIAL PROTECTION INFORMATION

Ventilation: Not required under normal conditions of use.

Respiratory protection: Not required under normal conditions of use.

Protective clothing: No need anticipated. Rubber gloves and apron are recommended.

Eye protection: Wear chemical goggles or safety glasses.

SECTION IX:

SPECIAL PRECAUTIONS OR OTHER COMMENTS

Precautions to be taken in handling and storing: Normal chemical handling procedures.

The information herein is given in good faith, but no warranty, expressed or implied is made.
